Announce New "Zip" Code To Speed Mail

The Grayling Post Office ZIP Code number is 49738; it was announced last week by Postmaster James Post. Everyone in Grayling delivery area will use Zip Code on all their correspondence to speed mail delivery and reduce the chance of mis-sent mail.

ZIP Code, the Post Office Department's new system of improved mail dispatch and delivery service, will be effective nationally on July 1. The Department stressed the importance of all citizens learning this city's ZIP Code and using their return address on all correspondence. In answering ZIP Codes taken from return addresses on incoming mail should be used.

The ZIP Code number should follow the city and state in addresses, for example: Grayling County Avalanche 224 Michigan Avenue, Grayling, Michigan 49738. With ZIP Code, postal employees need only to glance at a code next to know immediately to what sectional area, state and post office the letter is destined, cutting up to 24 hours off the time between deposit and delivery. At present, addresses must often be read carefully as eight or ten times to get them to the proper destination, even handling adds to the opportunity for human error.

The Fredric ZIP Code number is 49733. Fredric Postmaster Lester L. Lohr informed the Avalanche Take note that only the last number is different between the two Crawford County towns but they are different. Mr. Lohr stated that while the new ZIP Code would probably not affect the smaller towns appreciably, it would make a great difference in speeding up the sorting of mail in large municipalities. It is expected that later in July Post Offices would have lists of code numbers for the rest of the country. Such lists have not been distributed as yet.

City Police Issue Two Traffic Summons

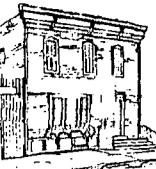

Alvin Henry Loos, 30, of St. Clair Shores, was given two summonses on June 21 for failing to stop at a stop sign in Grayling, and Norman Junior Bancroft, 19, of Grayling was given a summons for speeding on June 23rd, by Grayling City Police. Both will appear before Justice of the Peace Olin Williamson sometime in the near future.

Local Exchange Student Tells of Air Trip

By Bill Joseph

Editor's Note — Grayling High student Bill Joseph, son of Mr. & Mrs. William Joseph of Grayling becomes the Avalanche's first foreign correspondent with this article. Arrangements were made with Bill before he left Grayling to spend the summer in Germany as an exchange student, to write a series of five articles. Here is the first telling of his air trip Europe.

I flew at the beginning of a new journey. To me, being Europe is like being in a different world with my only contact being my friends whom I saw on the plane.

My trip began on June 14, when after final packing and farewells with parents and I left for the Metropolitan Airport. At sunset we joined the other passengers and their families in the queue for the plane.

At 10:30 Friday evening we were in the air and on the way to Amsterdam, our central stopovers. Detroit looked very small from the air, but later could see nothing because of clouds. After what seemed to be an endless journey we landed at Shannon Airport, Ireland. Then was a short hop over England to Amsterdam, Holland. Amsterdam is a lovely old city with many canals, its old, tall buildings, and its charming, smiling people. I have spent the day today touring the city, going to the Rijksmuseum and seeing the canals from a touring car. Early tomorrow morning we will be going to Germany via train to go to our family. So far it has been just great and I am looking forward to seeing my family and visiting Germany.

Nancy V. Albonia, daughter of Mr. and Mrs. Anthony V. Albonia of Higgins Lake and named at Grayling last February as Miss Michigan Winter Sports of 1963, is to go to Muskegon on July 3 and 4 at Walker Arena to seek the title in the Miss Michigan Contest in a preliminary step towards the Miss America Pageant.

Miss Nancy will seek to bring two crowns in a row to Roscommon as the present Miss Michigan, Carole Jean VanValin was also Miss Roscommon before her selection and Miss Michigan talent and beauty pageant by Mrs. Morland Dutton of the auxiliary of the Roscommon Chamber of Commerce.

Meet To Plan 1963 AuSable River Canoe Race

Integration Of Lake Valley Told By Weekly

A meeting is slated for today (Thursday) at Jackson at the main office of Consumers Power Company to lay plans for the 1963 AuSable River Valley Canoe Race from Grayling to Oscoda.

Dates for the race this year, which will be the sixteenth annual have been set for October 4th, 5th and 6th. Crawford County Chamber of Commerce manager Robert Hayes will represent Grayling at the session. Mio, Oscoda and AuSable as well as the Eastern Michigan Tourist Association are expected to have representatives at today's meeting.

Grayling Kiwanis Club To Hear Banking Official

Gerald Phelan, Director of Communications of the Michigan Bankers Association, will be the guest speaker at the Kiwanis Club meeting next Monday evening (July 1) at Chief Shoppenagon's Motor Hotel.

Mr. Phelan will address the group on the subject: "What the Bankers See in the ZIP Code and Their Effect Nationally on July 1." The Department stressed the importance of all citizens learning this city's ZIP Code and using their return address on all correspondence. In answering ZIP Codes taken from return addresses on incoming mail should be used.

He will be introduced by John H. Alef, President of the Grayling State Bank.

An interclub meeting was held with the Kiwanis Club of Cadillac last Monday evening when Earl Burns, John Latuszek, Leon Kocutte and Robert Bovee traveled over there to meet with the club members.

Graduates At Howell

Richard Lennert, son of Mr. and Mrs. Joe Lennert of Howell, graduated from Howell High School Thursday, June 20, in exercises held at the Howell Armory. The Lennert family are former Grayling residents. Richard's grandparents, Mr. and Mrs. Dewey Palmer, attended the graduation ceremonies.

Hold 14th Annual Keyport Trauma Day At Gaylord

The 14th Annual Keyport Trauma Day was held on Wednesday of last week at Hidden Valley near Gaylord. The event was started in Grayling in 1949 by the late Dr. Claude R. Keyport and is now jointly sponsored by the Michigan Committee of Trauma of the American College of Surgeons and the Central Michigan Committee on Trauma.

Serving as chairman for last week's session was Dr. B. Elmore Honig, M. D. of Grayling. Wayne W. Glas, M. D. of Wayne County General Hospital at Eloise is the state chairman of the committee and presided at the afternoon sessions which began after a 1 p.m. registration.

Dr. Albert D. Ruedemann, Sr., M. D., Professor of Ophthalmology, Wayne State University, and director of the Kresge Eye Institute spoke on "Emergency Treatment of Eye Injuries." This was followed by a panel discussion on "Management of Injuries to the Face" moderated by Dr. Harold W. Jaffee, M. D., instructor, Department of Plastic Surgery, Wayne State University. Others serving on the panel were Dr. Robert Pool, M. D., chief, Plastic Surgery, Pontiac General Hospital; Dr. Reed Dingman, M. D., chief of Plastic Surgery Service, University of Michigan Medical School, Ann Arbor; Dr. Ralph Blocksmar, M. D., chief of Plastic Surgery Service, Butterworth and St. Mary Hospitals, Grand Rapids.

Following a mid-afternoon coffee break, Dr. Roger Williams, M. D., Associate Professor of Surgery, Ohio State University, spoke on "Trauma to the Abdomen." Another panel, this one on "Multiple Injuries" was moderated by Dr. Richard Rappaport, M. D., chief of Thoracic Surgery Section, Hurley Hospital, Flint. Those on the panel were: Dr. J. Murray Day, M. D., consultant in Neurosurgery, Hurley Hospital; Dr. Herbert W. Harter, M. D., attending Orthopedic Surgeon, Edward Sparrow and St. Lawrence Hospitals, Lansing; Dr. Roger Williams. Also assisting on the panel were: Dr. George Schaeffer, M. D., and Dr. Lloyd Wiegert, M. D., both of West Branch.

Following a break and a fellowship hour, dinner was served in the Hidden Valley Lodge dining room. Dr. Heung presided at the Military Legion, 2-5, 248, 214.

On June 18, the Moose topped the Legion 8-7. On June 19, the Legion-Sorenson game was called after 3 1/2 innings due to rain and darkness, the score 13-9, an offical game.

Mr. Arnett spoke on the United States Foreign Policy and also on the United States Aid Program around the world. The widely read Free Press writer has made several trips to western Europe and extensive excursions on the African continent. He told of many things he had observed on these trips.

"Our experience had proven that true sportsmen do not discriminate against other sportsmen because of color of eyes, skin or religion," he explained.

When vacationers seek freedom from care in fishing, hunting,

swimming, boating or golfing, they are so deeply absorbed in pursuits of happiness, there is no time for the fallacies of friction," he continued.

"Hagman's interest in civic affairs marked him as a recipient of several citations from such organizations as the American Legion, Department of Michigan, the Michigan Health Council and the Michigan State Federation of Women's Clubs. He was named an honorary member of the State Federation while serving as president of the Girlstown Foundation."

"Lake Valley Resort Club consists of hundreds of acres of forested hills and valleys encompassing two private lakes. Ten buildings have been constructed during recent years, which include lodges, quarters, dining rooms, cocktail lounge and many recreational facilities such as swimming pool, tennis court, shuffleboards and playground equipment."

"Applications for membership should be addressed to Membership Committee, Lake Valley Club, Kalkaska, Mich." the story concluded.

Richard Lennert, son of Mr. and Mrs. Joe Lennert of Howell, graduated from Howell High School Thursday, June 20, in exercises held at the Howell Armory. The Lennert family are former Grayling residents. Richard's grandparents, Mr. and Mrs. Dewey Palmer, attended the graduation ceremonies.

Listen For The Bells Next Thursday

A swelling chorus of bells all across the United States next Thursday, July 4 at 1 p.m. will remind all of us of the special significance of the day.

A four minute tolling of bells in every city, town, village and hamlet was proclaimed by Michigan Governor Romney on April 18, the anniversary of the famous ride of Paul Revere. This pealing of the bells will herald the struggle by our ancestors for freedom.

The movement is nationwide. In Michigan, the Hi-Y Clubs have taken the responsibility of inviting every city and town to ring all of its bells on the Fourth of July. Sircons will not be sounded by request of the committee.

"LET FREEDOM RING" is a nationwide attempt to recapture the real meaning of the Fourth of July. It means that all bells of every community ring out for four minutes at 1:00 p.m. As the great chorus of bells swells across the land, it will be heard by families at home, on the lakeshore, in the mountains, wherever Americans gather on the Fourth. The sound will come as a thrilling reminder of what the Fourth of July stands for, challenging each of us to remember our freedom and precious heritage.

Following a mid-afternoon coffee break, Dr. Roger Williams, M. D., Associate Professor of Surgery, Ohio State University, spoke on "Trauma to the Abdomen." Another panel, this one on "Multiple Injuries" was moderated by Dr. Richard Rappaport, M. D., chief of Thoracic Surgery Section, Hurley Hospital, Flint. Those on the panel were: Dr. J. Murray Day, M. D., consultant in Neurosurgery, Hurley Hospital; Dr. Herbert W. Harter, M. D., attending Orthopedic Surgeon, Edward Sparrow and St. Lawrence Hospitals, Lansing; Dr. Roger Williams. Governor George Romney's Legislative Program Temed Successful

THE SCOREBOARD

Any dispute over the success of Gov. George Romney's legislative program was to be expected. The Democratic legislators and party leaders would not be fulfilling their role as the "loyal opposition" if they did not challenge the public governor's claim of success.

ny relatively objective politi-

tical observers in the Lansing area, however, thought Romney was being conservative when he claimed success on 80 to 85 percent of his program. Statistically this estimate was accurate.

Quantitatively, however, Rom-

ney did even better than he claimed. He lost only two major parts of his program: minimum wage and/or occupancy. His fight for

the latter piece of legislation ap-

peared to be more vocal than act-

able margin in the other chamber.

In practice, however, Michigan's

first Republican governor in 14 years had nearly as many problems with the legislators as his Dem- ocratic predecessors.

Contending with the divergent viewpoints within the Michigan GOP was and is no easy task.

Romney's personal approach was

credited with at least some of his success.

Probably a great deal of the compromises accomplished with the very conservative House mem-

bers, who are strong in number as well as power, can be credited to his approach. If a single item was powerful enough to tempor-

arily tie the Romney's hands, the governor held one or more conferences with the individual. He counted a number of successes from these conferences.

MORE EFFICIENCY

A move to clear Michigan's men-

tal hospitals of senile patients who have no other maladies pro-

gressing well, according to Mental

Theoretically, Romney had an ideal situation in which to work.

Health officer Herbert Bodwin

is the chief of patient affairs for the department and has

been directing the effort which

is clear that no; every measure

was ideal, but each initial step must be counted as a success which

can be improved upon over the

years.

Under the intent of the Legisla-

tive, all those being referred to

county units are eligible for old

age benefits or other public assis-

tance funds. No patient is turned

out of a state hospital with the

burden of care being placed on in-

dividuals or the county govern-

ment.

The patient affairs director said

he fully expected the department

could easily meet the 1,000 man-

imum placement level set by the

Legislature. The referral program

also will continue into the coming

fiscal year under provisions en-

acted by the 1963 Legislature.

Following is the poem sent to Grayling from California:

ARBURUS TIME

Oh! It's arbutus-time in the north-

land,

And the bluebirds are singing

"Good Cheer".

By the brook pussy-willow is nod-

ding

A greeting to all, - for Spring's

here.

When it's arbutus-time in the north-

land,

Dainty blossoms you'll find every-

where.

'Neath the pines, or on knolls in

the sunshine,

Sweet the fragrance that's filling

the air

Oh! It's arbutus-time in the north-

land,

And the soft, gentle breezes caress

All nature, arrayed in much splen-

don

Of a green, flower-trimmed, spring

time dress.

When it's arbutus-time in the north-

land,

What pleasure to wander alone

Through the sweet-scented wood-

land and valleys:

Over all there's a charm surely

thrown.

Oh! It's arbutus-time in the north-

land,

A season of promise and song,

For the earth is awake from its

slumber,

Free from cold winter's bondage

so strong.

SISTERS WED IN DOUBLE CEREMONY

Elizabeth Moes became the bride of Louis Foster, son of Mrs. William Walker of Grayling and the late Mr. Foster, and her sister, Joyce Cook was united in marriage to James Goudie, son of Mr. and Mrs. James Goudie of Roscommon, in a double wedding ceremony at the Grayling Bowlers' Club on Friday, June 14, 1963, at 7 o'clock in the evening.

Elder Jay Doty performed the ceremony. The brides are daughters of Mr. and Mrs. Dave Cook of Grayling. Attendants were Mr. and Mrs. Jack Dehart of Grayling and Mr. and Mrs. Alfred Newell of Frederic.

A reception for around one hundred guests was held in the club house immediately following the wedding. The building had been decorated for both events with white streamers and wedding bells. Two wedding cakes made by the brides' mother centered the brides' table. An orchestra made up of Dick Arnes, George Johnson, Dick Johnson and Gene Gabriel provided hill-billy music until midnight.

Mr. and Mrs. Foster will be making their home in rural Grayling, while Mr. and Mrs. Goudie will reside at Higgins Lake.

Former Resident Composes Poem

A poem composed by Mrs. Edith M. Shank of Fresno, California, was recently brought in the Avalanche office by Mrs. Earl Nelson. Mrs. Shank will be better known to Grayling residents as Edith McIntyre. Her parents were early settlers in the area and McIntyre's Landing at Lake Margrethe is named for the family.

Following is the poem sent to Grayling from California:

ARBUTUS TIME

Oh! It's arbutus-time in the north-

land,

And the bluebirds are singing

"Good Cheer".

By the brook pussy-willow is nod-

ding

Grayling, Michigan, Thursday, June 27, 1963

The Year Is 1963!!!

Two transportation bills proposed by President Kennedy would help eliminate inequities and strait jacket regulations that are a drag on the economy and the national defense.

One would give railroads a new freedom from Interstate Commerce Commission minimum rate controls on bulk commodities and on agricultural and fisheries products. ICC control on maximum rates would remain. The door would thus be opened for rate reductions.

The second bill covers a wide area. It would, among other things, authorize and encourage common carriers to experiment in rates, classifications and new services; permit all shippers and carriers to ship vehicles and containers by any mode of transport at nondiscriminatory rates, and promote through service and joint rates by all combinations of modes at reasonable rates.

The primary general purpose of this legislation is to place greater reliance on competition in the transportation field, and less on regulation. The existing regulatory philosophy is largely a hangover from the days when railroads virtually monopolized commercial transport. Now competition is wide open and all-out between the rails, the water carriers, the trucks and buses, the airlines and, last but not least, the private automobile. The Presidential idea is to make 1963 legislation go with the 1963 facts of life.

Much Too Slowly . . .

The Washington (D. C.) Daily News recently ran a brief editorial entitled "One Place We're Behind." And the nation and people we are behind, in this connection, is Russia and the Russians.

The News says: "And how goes featherbedding be-

DON'T PUT YOURSELF IN THIS PICTURE

hind the Iron Curtain?"

"For the answer, we quote from testimony just given the House un-American Activities Committee by John Santo, former American communist who spent seven years in high government position in Red Hungary:

"There was no featherbedding of any kind. As a matter of fact, the idea that people should get paid for work not done or for unnecessary work would be considered an insane idea..."

"Here's one place, for sure, the Reds are ahead of us. Featherbedding, which adds unnecessarily to the costs of goods and services all of us must buy and which makes American products less competitive in world markets, is an insane idea. It's gradually being eliminated from the American scene, but slowly. Much too slowly."

There, in terse terms, is the whole sad and vital story.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

JUNE 27, 1940

The population of Crawford county as shown by a preliminary count of the Sixteenth Census as of April 1, 1940, is 3760 as compared with 3097 in 1930. Crawford county is one of the least populous in Michigan, and has second lowest agricultural development. In 1818 Governor Cass established a Crawford County in Wisconsin, which was then a part of Michigan Territory. The present day Crawford was set off in 1840 and named Shawano—in 1843 the name Crawford was substituted whether in memory of the former Crawford county, or in honor of Colonel Crawford, friend of General Washington, who perished at the stake in northern Ohio in 1872 uncertain.

Charles Corwin Jr. and Ernest Corwin, sons of Mr. and Mrs. Charles Corwin, were married during the past week. Charles Jr. married Erdine Larson, daughter of Mr. and Mrs. Carl Larson, and Ernest was united in marriage to Gladys Raymond, daughter of Mr. and Mrs. Charles Raymond of Harrietta. The two couples left Sunday morning on a honeymoon trip to Niagara Falls, Buffalo and the World's Fair at New York.

Bernard Brady and family have moved from the R. N. Martin house to the Chris Hoessl house on Park street. The latter was vacated by the Earl Burns family who have moved into the home they purchased from Mrs. N. Schlotz on Spruce street.

Announcements have been received by Grayling friends of the marriage on Saturday, June 22nd, of Miss Clara Florence Schatz to Mr. John Wallace Pettit at Newport, Mich. The groom is the son of Mrs. Bernard Bromwell (Else) Salling of Mt. Pleasant. Mr. and Mrs. Pettit are at home on Erie Drive, Maple Beach, Rockwood, Michigan.

Joyce and Robert Bugay are spending a three weeks vacation in Flint visiting their sister, Mrs. Charles David.

Mrs. Charles Moore and Mrs. Earl Giegling left Wednesday for Hale and Loon Lake. Their daughters Gloria Moore and Emily Giegling will attend camp Maqua at Loon Lake.

Mr. and Mrs. Bernard King and two children and Douglas King of Toledo are visiting fourteen days

with Mr. and Mrs. Roy King in Beaver Creek. The gentlemen are all brothers.

This office is in receipt of a flock of postcard views of Ocean Beach, New York, sent us through the courtesy of Miss Jean McCullough. From the views it appears to be a most picturesque place. Miss McCullough, the daughter of Mrs. Charles McCullough, is employed by the real estate and insurance firm, Hubert and Hubert of New York.

M. and Mrs. Hugh Geister of Flint were weekend guests of the former's brother Wendell Geister and wife who are visiting at the home of the latter's parents, Mr. and Mrs. Wm. Hunter. The party enjoyed a canoe trip down the AuSable Sunday.

Little Kathleen Wood celebrated her 6th birthday anniversary Wednesday and had as her guests twenty-five little friends for the afternoon. Several games were enjoyed with Bobby Smith and Margaret Brown taking honors. A lovely lunch was served by Kathleen's mother, Mrs. Earl Wood, with a prettily decorated birthday cake with six lighted candles gracing the luncheon table. Favors were given to each little guest.

Mr. and Mrs. Waldemar Hanson (Illa Welch) are receiving congratulations on the birth of a son Sunday at Mercy Hospital. Michael Duane is his name and he tipped the scales at 9 pounds, 6 ounces.

Miss Lucille Merry of Gaylord gave a revue of her class in tap dancing, which included pupils from Grayling, Gaylord and Petoskey, Tuesday evening at the Gaylord theatre. Those who participated were Patsy Hope Heric, Rose Bishaw, Marlene Sorenson,

Sally Gross, Jeannine Sorenson, there were some 25 who appeared in single dances, solo dances and groups.

Robert Gates of Romeo is spending the week at the Wm. Simpson cottage at Lakeview park, Lake Michigan.

Mrs. Emil Niederer, daughter Betty and son Emil Jr. are spending the week in Mason.

Miss Eva Madsen and Mr. Charles Winget attended the wedding of Miss Dorothy Lance to Mr. Bradford Sigh at Crystal, Mich. Saturday. Miss Eva had been chosen by the bride as her maid of honor and Mr. Winget officiated as best man and the wedding was solemnized in the Baptist church there in the afternoon.

In the article telling of the baby show and its prize winners, there was an error in one group classification, and the names of two babies who were prize winners were inadvertently omitted. In the group, birth to six months, the healthiest baby was Clare Madsen Jr., and the prettiest was Connie Lou Milliken, daughter of Mr. and Mrs. LeRoy Millikin. In the group, six months to one year, the healthiest was Wanda Bigham, daughter of Mr. and Mrs. Arthur Bigham and the prettiest was Elizabeth Hamblin, daughter of Mr. and Mrs. Ivan Hamblin.

The Misses Jerrine Mathews and Betty Christanson have gone to Saginaw for a two weeks visit at the home of the latter's sister, Mrs. Henry Ahman.

June 28, 1917

Earl Cady, who has been employed at the Model bakery, left Saturday for Lansing. He is a mem-

ber of Battery A, M. N. G.

Miss Nola Sheehy and Hattie Gierke left Saturday for Bay City.

Miss Sheehy will remain for a week's vacation, Miss Gierke re-

turned home Monday.

TOTAL PERFORMANCE.

IF YOU KNEW WHAT THIS "CAR KILLER" KNOWS...YOU'D BE DRIVING A SOLID, SILENT SUPER TORQUE FORD

This steel-edged pothole is probably the world's toughest test of a car's suspension. We drive into this car killer at 30 mph, locking our brakes as we go so the wheels can't roll through the hole as they normally would. The car slams against the edge of the hole with such impact that it literally bounds out.

If you added up the cumulative effect of all the jars and jolts your car's suspension system experiences in years of normal driving, it wouldn't match the impact of one trip through the hole. Yet a Ford must run this test three times to prove its strength.

How can a Ford take it? Because Ford's front suspension has extra beef in spindles, springs, suspension arms—in fact, it's about 20 pounds heavier than the front suspension of our principal competitor's car.

We don't expect you to abuse your car the way we do our test cars. But, however you drive, you'll welcome the extra strength of a total performance Ford. Ford strength is tested in a thousand ways in Ford's laboratories and proving grounds—and in open competition in the world's toughest rallies and stock car events.

Look at Ford's astounding record in open competition this year in the grueling Daytona, Riverside, and Atlanta 500's, the World 600 at Charlotte, N.C., and in the demanding Pure Oil Performance Trials. Only a car with total performance—the best combination of strength, balance, precision control and road-clinging suspension—could roll up so many wins.

Before you buy any new car, test-drive the solid, silent Super Torque Ford. If you haven't driven one lately, you can't really know what a new Ford is like. Make this important discovery—if it's built by Ford, it's built for performance...total performance.

Bits O' Talk

Mr. and Mrs. Richard Klein and children of Okemos spent from Thursday to Sunday visiting their parents, the Robert Kleins and Walter Mikells.

Mrs. Jappe Smith and son Lou arrived last week on Tuesday from Tustin, Calif., to spend the summer months at the Smith cottage at the lake. They were accompanied by Mrs. Smith's daughter-in-law, Mrs. Fred Smith of Garden Grove, Calif., who has returned home.

The Newton Skillmans, Golden Beach, Fla., have come to spend some time at their home on the AuSable.

Friends and neighbors gathered at the Pine Around restaurant Tuesday night to help Mr. and Mrs. Walt Confer celebrate their tenth wedding anniversary. A pot-luck lunch and pinocchio were enjoyed by all, and the Confers received best wishes for many more happy anniversaries.

Mrs. E. S. Hanson left Monday for her home in Shepherd after spending last week at Lake Margrethe.

Mr. and Mrs. Clayton Hildebrand and children spent Sunday visiting his mother and sister, Mrs. Little Hildebrand, and daughter Ardith near Gladwin.

Here to attend the funeral services for William Tinker held Thursday were: Mr. and Mrs. J. A. LaRoche of Detroit; Mrs. Ollie Blair of Wichita, Kansas; Mr. and Mrs. Grant Tinker and son of Big Rapids; Mr. and Mrs. Robert Priest of Traverse City; the James Tinkers and son of Brimley; Mr. and Mrs. Charles Goen of Torch Lake; Mr. and Mrs. Norm Moyer of Blue Lake; Mr. and Mrs. Lyle WagenShutz; Mr. and Mrs. Henry Van Hoge and Mrs. Nellie Bartholomew of Kalkaska; the Alger Priests of Manistique; Mr. and Mrs. Harley Kennedy; Mr. and Mrs. Richard Kennedy; Mr. and Mrs. Jack Kennedy; Mr. and Mrs. Junior Kennedy; and Mr. and Mrs. Rudy Heerlall all of Ann Arbor; and Mr. and Mrs. Glen Dick of Grand Haven.

Mrs. Emil Hanson and Mrs. Cameron Game of Detroit spent the weekend at the former's home on the AuSable River.

Miss Barbara Evans came Sunday to visit her parents, Mr. and Mrs. Tom Evans, until Wednesday, when she returned to Wayne to attend to moving her belongings to Fort Wayne, Ind., where she will be teaching next fall. She will return here later in the summer.

CARD OF THANKS My sincere thanks to the Doctors, Nurses and Mercedes at the hospital, to all my friends for the cards, flowers and gifts, while I was a patient at the hospital. Edna Feldhauser

No Need To Put Up With "Junk" Mail

What am I expected to do with "junk" mail? It's probably one of the questions asked most often by postmen.

Though part of this counterculture enterprise system, there is something you can do about it. Those who do not want to receive advertising circulars and junk mail, should write to their City Clerk and request that their name be removed from his mailing list. Though such requests are always honored, compliance is not immediate.

If unwanted circular matter seems to be received, patrons

Special meeting of the City Council held on May 21, 1963 in Grayling, Michigan.

Meeting called to order at 7:30 P.M. by Mayor Hoffman.

Members present: Cook, Duley, Hoffman, Madsen, McNamara.

Members absent: None.

City Auditor Clifford E. Peterson present.

Citizens present: None.

Mr. Moore read a report on the status of the Budget Case claim.

A motion was made by Duley,

and supported by Madsen, to

that the 1963-64 operating budget for the City be accepted.

All voting in favor, the motion carried.

Motion by Duley and supported by McNamara that the City Manager is hereby authorized to make application to the Michigan State Highway Department on behalf of the City of Grayling for the necessary permits to cross M-72 with an 8" C-I water main.

All voting in favor, the motion carried.

The matter of the discharge of Delbert Case was discussed and considered by the City Council and the opinion was filed.

A draft of the 1963-64 City bud-

get was presented to the City Council for their consideration. After a discussion was held regarding different items of the budget, it was decided that a revised budget be drafted for presentation to the Council at a special meeting to be held on May 21, 1963.

The meeting was adjourned by

Mayor Hoffman at 1:45 A.M.

Harold S. Cliff, City Clerk.

Mr. Moore read and explained the fire stand-by for Grayling Township.

Motion by Duley and supported by McNamara that the City enter into the following fire stand-by contract with Grayling Township.

* * *

FIRE PROTECTION AGREEMENT

THIS AGREEMENT, made on the 21st day of May, 1963, by and between the CITY OF GRAYLING hereinafter designated as THE CITY, and the TOWNSHIP OF GRAYLING, hereinafter designated as THE TOWNSHIP.

WITNESSETH:

THAT WHEREAS, THE CITY owns certain fire fighting equipment and maintains a voluntary fire fighting department for the protection of said CITY, and

WHEREAS, for a number of years past said CITY has, and now does, furnish fire protection services to said TOWNSHIP, upon an oral agreement of payment therefor, and

WHEREAS, said parties desire of

enter into a written agreement for

the continuation of such fire fighting service to said TOWNSHIP upon a mutually agreeable annual charge therefor, now therefore, said parties hereby agree as follows:

1. THE CITY agrees to continue, to the best of its ability, the operation of its said fire department for the protection of both

of said parties, and THE TOWNSHIP agrees to pay to THE CITY for such service to THE TOWNSHIP the sum of \$3,000.00 per year for each year during the life of this agreement, payment to be made in advance as follows:

\$3,000.00 upon the execution of this agreement, for the calendar year 1963.

\$3,000.00 on or before January

1964; for the calendar year

1964 based on a City tax of 16 mils.

Motion supported by Madsen.

All voting in favor, the motion carried.

No Need To Put Up With "Junk" Mail

What am I expected to do with the "junk" mail? It's probably one of the questions asked most often when the postman deposits third class mail in your box.

It's a legitimate and important part of this country's free enterprise system, there is little we can do about it.

Those who do not want to receive junk mail, or have received a request to their name from his mailing list, their requests are not just. Their response is us always to say "please" is usually accepted.

If you receive the matter contained in your patrons may write "Refused" on items placed in their box and promptly re-deliver them in the mails. These may be returned if it bears the sender's endorsement "Return Requested". The sender is charged a minimum of 8 cents a piece for the service performed. Third class mail which is refused and which does not bear a return address is destroyed at the post office of address.

All classes of mail carrying the proper rate of postage and properly prepared for mailing must be handled by the post office in accordance with postal regulations.

However, patrons who do not want unsolicited mail matter of any kind can usually find relief through refusal to accept delivery or through written request that their names be removed from the mailing lists involved.

Crawford County Avalanche

June 27, 1963

Subscr's for the Avalanche

12 Local Government Units Within County

(Special to the Avalanche)

NEW YORK -- How many government agencies are in operation in Crawford County, conducting the affairs of its cities and towns?

How much progress, if any, has been made in recent years toward reducing the number of these bodies?

A new report on the subject, issued by the Department of Commerce, makes possible a comparison of the government structure locally with that found in other communities.

The data was gathered from all parts of the country as part of the 1962 Census of Governments. It underscores the fact that community affairs are directed only in part by county and municipal governments.

In most places, some of the functions are under the control of school districts or special districts, which have authority over particular phases of local activity.

In Crawford County, the report shows, there are now 12 units of government in operation, all 12 of them with property taxing power.

They comprise the county government itself, 1 municipal government, 6 township, 4 fiscally separate school districts and no special districts.

The number is 8 per cent less than the 13 units that were counted locally in 1957, when the previous Census of Governments was taken.

By way of comparison, in the United States as a whole there was a reduction of 11 percent in the five-year period. The East North Central States had a drop of 15 percent while the number in the State of Michigan went down 26 percent.

The figures show that the trend, in most communities, is toward a streamlining and simplification of the governmental process. Since 1957, the number of units of government in the United States declined from 102,392 to 91,236.

Much of the cut is attributable to the consolidation of school districts, which were reduced about one-third in the five years. They dropped from 50,454 to 34,878.

The objective of these consolidations has been to cut the costs of operation. Many of the school districts are small ones which could be combined with neighboring ones at a saving to both.

The report shows that 44 percent of the nation's school systems run schools for fewer than 150 pupils each.

Honored With Bridal Shower

Miss Carolyn Millikin was the honored guest at a miscellaneous bridal shower given Wednesday, June 19th, at the home of Mrs. Monte Malone. Co-hostesses were Mrs. Gerald Walker, Miss Ginger Pratt and Miss Linda Covert. Around twenty-five ladies enjoyed an evening of bingo, with prizes being won by Lillian Hoffman, Sharon Williams, Sherry Madsen and Mrs. Sam Collen Jr.

Following the games Carolyn opened her gifts and showed them to everyone. Assisting her in the pleasant task were Ginger Pratt, Linda Covert and Julie Carlson. A delicious luncheon, with its feature a beautifully decorated cake, was served to conclude the evening.

Homes Abound with Potential Poisons, AMA Official Warns

Children, supposedly "safe at home," are poisoning themselves at the rate of nearly 1,500 a day.

"When you consider that more than a quarter million home-used products on the market contain toxins, it is not difficult to understand why more than 500 children die each year from self-administered poisons," said F. J. L. Blasingame, M.D., executive vice-president of the American Medical Association.

Children are naturally curious, especially the very young ones. They are prone to stick into their mouths anything they can get in their hands. It doesn't even have to taste good or look pretty.

Most accidental poisonings occur in children under five. Two-year-olds are the most poison-prone, with one-year-olds close behind. At this stage in life their curiosity is at its height and their sense of fear not yet developed, Dr. Blasingame explained.

Medicine, especially aspirin, heads the list of items children seem to like to sample, accounting for nearly half of all accidental poisonings. In fact, too much of virtually any medicine can produce serious consequences.

Among the supposed non-toxics that frequently find their way into children's stomachs are cleaning and polishing agents, detergents, shoe polish, cosmetics, waxes, insecticides, paint, turpentine, chalk, bleaches, plant foods, plaster, perfume and decorations.

Medicines account for nearly half of all accidental poisoning in United States each year. Discard unused medicine and keep rest out of children's reach.

A primary cause of such accidents, says Dr. Blasingame, is storing poisonous substances in food containers or soft drink bottles. A toddler just naturally assumes that a soft drink bottle contains a treat. He'll drink whatever he finds in it.

"The facts are clear," he warned. "Between 65 and 70 percent of all poisonings take place because an item was accessible to a child."

"If we're going to live in modern homes with modern conveniences and modern medicines, we have to develop some up-to-date standards that will make home safe for our children." Don't wait to see what happens.

IN MICHIGAN

BEER IS A NATURAL

From nature's light grain comes sparkling, light beer... Michigan's traditional beverage of moderation—it's light, sparkling, delicious.

And naturally, the Brewing Industry in Michigan is proud of the more than 20 million tax dollars it contributes to the state of Michigan each year—money that helps support our schools, our hospitals and our parks. In Michigan, beer belongs—enjoy it!

A Frederic Public School teacher

is among 26 state instructors who graduated on June 21 from Automobile Club of Michigan's two-week Driver Education Workshop at Ferris Institute and are now eligible to teach driver education in state high schools. During one of the workshop sessions, the students, all on Auto Club scholarships, viewed a styling concept of an aero-car which would operate equally well on or above the highway. Named the Volante, this Ford Motor Company model is not yet operable. Discussing the possibility of someday having to teach high school students how to drive such a vehicle are (left to right) Howard Bale, Ferris driver education instructor; Eli Beery, Frederic teacher, and Richard Franklin, Auto Club's local safety education consultant. Beery, of Route One in Grayling, teaches science, biology, physical education and industrial arts to grades seven through twelve at Frederic High school.

Mr. and Mrs. Jack Forbes and daughter Lindsay of Detroit spent the weekend with his parents, the Jim Forbeses, and celebrated their 12th wedding anniversary, taking in the St. Mary's Ladies bingo-thon.

Mr. and Mrs. Steve Hanna and family of Traverse City visited

their parents, the Lacey Stephens, Sunday evening.

Esbren Olson, Jr., of Postoria, Ohio, spent last week at the Dickson cottage at the lake. Mrs. Olson and two couples joining him on Wednesday for the rest of the week.

Jeff Fowler and three friends, David Shaw, James Marinus of North Carolina, and Tom Doenges of Detroit, made a camping trip last week from Jeff's home at Stephan Bridge as far as McMasters Bridge, starting Wednesday and camping out near Camp Charlie, and being picked up by Jeff's parents, the Bernie Fowlers, after noon on Thursday. Wednesday was a night of thunderstorms, but the boys made out well in a pup tent, except that during the night a raccoon stole the food they had brought along for Thursday's breakfast, and they went hungry until they reached the lower landing and were able to buy themselves a snack.

Mrs. Letha Leng of Frederic attended a State Convention of

Postmasters at Escanaba Saturday through Tuesday, June 15th to 18th, going with Miss Alfred Swanson of Freeland, and Postmaster and Mrs. Maurice Dean of Barryton, Michigan. There were management meetings on Saturday, executive meetings on Sunday and two days of open convention following.

Dr. and Mrs. Paul Dosch had a

surprise visit Thursday night from a former fellow student at medical school, Dr. Joe Weimer, of Pittsburgh, Pa., who was on his way to spend some time at Cub Lake.

Mrs. Franklin Hills returned

home last Thursday from a two-week travel trip to the east. She was accompanied by Mrs. Geraldine Johnson of Traverse City. Weekend guests at Birchill were Mr. and Mrs. E. D. Thomson of Clarkson, and houseguest of Miss Cathy Hills for a couple of weeks is Miss Barbara Racey of Traverse City.

Mrs. George McEvers, and children Scott and Denae left Thursday to spend several days visiting her mother, Mrs. Henry Luks and family, and sister and family, Mr. and Mrs. Walter Abdella in Bay City, also other relatives.

Mr. and Mrs. James Bristow and daughter Dolly, the latter's house-

guest Priscilla Jones, and the Bristows' grandson John Bristow, all of Royal Oak, left the first of the week after spending two weeks at their home in Grayling.

Sandra Johnston, daughter of Mr. and Mrs. Leon Johnston of Waterford, is spending some time with her grandparents, the Norman Johnstons.

Mrs. Robert Strong entertained

several ladies with a luncheon

and cards on Saturday. High

scorer at the contract tables was

Mrs. Jack Cook, second high was

Mrs. A. J. Sorenson and low was

Mrs. Arnold Rotermund.

The Dick's Retreat cabin was well-filled over the weekend.

Fred Herrick was pleasantly sur-

prised Sunday to have his sister,

Dora Gangow of Durand and her

daughter Irene Babbitt of Owosso

stop in.

Mr. and Mrs. Bert Gilbert were Sunday dinner guests of Mr. and Mrs. Irving Rooker.

Howard McCann was happy over the nice 19 inch Brown trout he caught.
